

## **Minimus Wholesale Drop Ship Program**

**Product descriptions and photos** – [www.minimus.biz](http://www.minimus.biz) will continue to be your best resource for product descriptions. However, due to licensing issues, product photos from the Minimus website may not be used. Photos must be taken by the customer.

**At this time**, UPC information and Inventory availability is not offered for our products. We do not have MAP guidelines. We do not have integration with drop shipping programs available.

**Pricing** – Drop Ship orders that meet our wholesale minimum of \$250 and full case quantities are priced at wholesale pricing plus shipping from Newbury Park, CA 91320. Orders below this threshold may be placed on our online retail website. Prices are full retail, but include free shipping over \$20.00.

**Processing time** – Wholesale orders for regularly stocked items ship within 3 days from the date of the order. Same day shipping service can be requested before 9am Pacific Time for an additional fee. (Items that may require special ordering, or that may be in higher quantities, can take up to 2-3 weeks.)

**Payment Terms** - We have a credit card only policy for our drop ship customers. Credit cards will be charged at the time of order. Net payment terms may be available for large volume customers.

**Shipping services** – Minimus is a high volume FedEx and USPS shipper, and utilizes an international consolidator. We will determine the most cost effective way to ship. We are happy to ship on the customer's shipping account for an additional fee. See rate below.

**Blind Shipment Labeling and Packaging** - When a customer requests a blind shipment, the requested items are packed in unmarked boxes with only the manufacturer's labels on the items. Shipping labels will show the Drop Ship customer as the shipper. If you wish this service from our retail website, you may place a note in the order "Blind Ship". Monthly you will be charged \$1.50 for each blind ship online order placed.

**Returns policy:** We accept returns on non-food and non-OTC items that are sent back in the original packaging for full credit less shipping costs, and less a 15% restocking fee.

**Fees:**

Blind shipment fee - \$1.50 per order

Shipping on customer's account - \$5.50

Same day shipping - \$5.00 per order surcharge

**\*Special Orders: Minimus Procurement Team is also able to obtain many other items not in our catalog. Please feel free to contact Minimus for availability and pricing on any items you may be interested in.**

Please contact our **wholesale department manager** to sign up and/or customize your drop ship program.
