

Be Clever With A New Twist On Chocolate, Wine, and Flowers for Mother's Day

Newbury Park, CA (April 13, 2010) – You've probably given the traditional Mother's Day gifts in the past that may have included chocolates, wine, or flowers, but what if you could combine tradition with a gift she'll be excited to tell her friends about?

The Minimus Boutique™ at Minimus.biz (www.minimus.biz/theminimusboutique.aspx) is proud to announce the launch of the Cioccolato, Vino e Fiori Gift Set (\$33.95).

- **Chocolate:** With the Chocolate Milk Bubble Bath and Body Lotions by Hollywood hair guru Philip B, Mom can indulge in these “chocolates” endlessly without worrying about any added calories.
- **Wine:** With the Vineyard Collection's Grapes Body Wash and Body Lotion, made from California wine grapes, Mom can enjoy the soothing effects of a glass of wine any time of the day.
- **Flowers:** The four luxury toiletries are packaged inside a custom made wildflower seed paper gift box. Simply soak the box in water, plant it in the garden, and she can enjoy her gift for months with the resulting flower blooms.

For those looking for other unique ways to show Mom how much she is appreciated this year, Minimus has created four other gift sets, all wrapped in flowers with their custom made Seed Paper Gift Box:
